Executive Summary

What is Cupid Pepe?

Cupid Pepe ($CUPPE) is a community-driven memecoin built around humor, social energy, and participation.

Our goal is to deliver a fun token experience while steadily adding lightweight, real utility — without unrealistic promises.

Core Approach

- Community-first decisions
- Transparent communication
- Gradual utility expansion

$CUPPE is designed for culture and community — not as a guaranteed investment product.

Vision & Principles

Vision

Build a strong, creative community around Cupid Pepe while developing experiences that keep participation high: events, rewards, and interactive products that use $CUPPE.

Principles

- Fun is a feature
- Clarity over hype
- Reward contribution
- Build in public (when possible)

We aim to maintain a simple, understandable structure that community members can follow.
